Calendar Dates Reminder, Open Evening & Transition Plans:

Dear parents/carers,

Please find below a reminder of key dates during the remainder of the school year. You can always see these events and any updates on our website calendar here:

<https://www.astonhallschool.co.uk/our-school/calendar/> this link can be saved as a bookmark or pinned to home screens on smartphones / tablets.

We have had a few queries from parents asking teachers about dates for events such as Sports Day. These dates have been on our website calendar since September last year and we try as a school not to over share information and expect parents/carers to be aware of upcoming events using this calendar rather than being regularly reminded by school.

Further details regarding transition plans for new classes and our open evening can be found at the end of this letter.

I will be sharing a letter with you soon regarding INSET days for the 24/25 school year.

Aston Hall Open Evening – Tuesday 2nd July – 4-6pm

On this day, school will be 'open' from 4-6pm for our Summer Open Evening. This is a great opportunity for parents/carers and children to come into school to both reflect on the current year, and look forward to the next. This will be an informal event where class teachers will be in their classrooms and available for informal discussions with you about your child's progress this year. Your child's workbooks will also be in their tray on their desk and available for you to look at and discuss with them / their teacher. There will also be an opportunity for you and your child to visit their classroom for September, including meeting their new teacher. Further details to be shared nearer the time and we will be informing you in advance of the open evening which class your child is in next year.

Transition – Wednesday 17th July

On Wednesday 17th July, all children currently in school will move up to their new classrooms with their new teachers. You will need to drop your child off at their new classroom and pick them up from there also, just like you will in September. Staff will be available on the yard to direct you as needed to the correct classrooms, and teachers will be on their doors if you are unsure. The children will enjoy a day of transition events, getting to know their new classmates and their new teacher. Further details to follow, including where our Y6 pupils will be in school during this day.

Final days of the school year – Thursday 18th & Friday 19th July

On these days, children and staff will be in their current / normal classroom. On the Friday, they will enjoy a final morning of celebrations in their current class prior to school closing at 1:15pm. You will need to drop-off and collect your child from their current class on these days, unlike the Wednesday.

As always, if you have any questions or queries please get in touch.

Many thanks,

Mr S. Holmes
Headteacher
